**Subject: The Need to Challenge, in Accordance with Gurmat, the Conspiracy of Brahmanisation of Sikhi through Podcasts**

Dear Sikh Sangat Ji,

For some time now, there has been a flood of podcasts on social media aimed at giving Sikhi Brahmanical colouring, which is a matter of serious concern. In these podcasts, bhekhi-saadhs (impostors) are seen shamelessly misquoting the selected verses of Gurbani out of their contextual meaning. Ordinary Sikhs who have not connected themselves deeply with the contemplation of Gurbani are falling under the influence of these impostors and drifting away from Gurmat way of life.

While bhekhi-saadhs are directly involved in spreading superstition and hypocrisy in society, the podcast anchors are equally complicit. These anchors, acting as betrayers of the Guru, are earning through dishonest means. The Sangat must remain vigilant of them and hold them accountable by subjecting them to strict and direct questions.

Understanding the seriousness of this issue, Sardar Ajaypal Singh Ji, in the light of Gurbani, is fearlessly and eloquently exposing these shops of hypocrisy one by one. Sarbat Khalsa Jathebandi wholeheartedly appreciates and commends the efforts of Sardar Ajaypal Singh Ji in this noble task.

Social media algorithms tend to amplify falsehood and hatred, whereas spreading truthful information requires conscious effort. Sarbat Khalsa Jathebandi prays before Akaal Purakh, that He may bless preachers and communicators with the resolve to dispel misconceptions in the light of Gurmat.

In the interest of the Kaum, guided by Gurmat,
